

Franke at Seaside

For over 100 years, Franke at Seaside has provided care to older adults in the Lowcountry of South Carolina. As a continuing care retirement community owned and operated by Lutheran Homes of South Carolina, Franke at Seaside serves older adults who live in active lifestyle homes and apartments, as well as those who need assisted living, memory support and skilled nursing care.

Each year, participants and sponsors of this tournament strengthen the program and services provided for residents of Franke at Seaside who need financial assistance. All proceeds from this year's tournament will benefit the Franke at Seaside Subsidized Care Fund.
